Enrollment is quick and easy. It should only take a few minutes to activate coverage. To enroll, log in to your myWellmark account and have your Wellmark insurance card handy.

1. Enter the Wellmark Member Enrollment Code: 4170999624.
2. Enter the Group ID number and Wellmark ID number from your Wellmark Insurance Card
3. Click "continue" and follow the directions to complete your enrollment
4. Your name, phone number, email, and address
5. You will be asked to create a username and password and answer a security question
6. To activate credit monitoring, you enter your date of birth and social security number and will be prompted to answer several authentication questions to verify your identity
7. That's it! MyIDCare will send you alerts when action is needed

As long as your dependents have a Wellmark core health plan, they are eligible to receive identity protection services. You can enroll your dependents the same way you enroll yourself.
